Select Board Meeting Minutes

Conference Call set up by Rob Moore
1-800-356-8278
Code: 744610

Meeting called to order at 5:30 p.m.

Present: Select Board Members: Donald Lynch, Arthur Tilton, Jay Marsh
Town Clerk: Nancy LaRose
Road Commissioner: Hunter Locke
LCPC members: Rob Moore

1. Rob Moore presented to the Select Board, Hunter and myself the Road Erosion Inventory (REI) that LCPC has done for us. This inventory was done to evaluate “hydrologically connected” road segments in the Town. This is required for both grant funding and permit compliance. The purpose of the REI is to identify locations susceptible to road erosion. It is for the Municipal Roads General Permit (MRGP), and is required by the Vermont Clean Water Act (Act 64).
2. Discussed the road segments that need work to comply. By 2036, 100% of town roads need to be compliant with the Road Permit. A five-year plan was in the report, and some changes were made. It is understandable that our priorities will change over time.
3. It was voted to accept the REI Report that LCPC did for us, pending any changes that are provided to Rob in the next couple of weeks. Once it is finalized, it will get submitted to VTrans.
4. Discussed a couple of grant opportunities that we will submit applications for. These will be for Church Street Bridge and Beals Hill Road.
5. Approved bills to be paid.

Adjourned at 6:45 p.m.

Respectfully submitted by Nancy LaRose, Town Clerk
