# DEDICATION

## Linda Ward

Linda Ward is a lifelong Vermonter and has been a staple in the Waterville Community for many years.

Growing up on her family's dairy farm in Johnson, Linda's love for animals started young. From her and her brother David riding their horses (Trigger and Ginger) around the local trails to eventually establishing Raven Ledge Farm on Lapland Road, Linda has shared her lifelong love of horses and nature with those around her. Linda spent many years training horses and providing sleigh rides.

Linda's strong sense of service has been shown over the years through her work as a Lister, Justice of the Peace, her time as the Treasurer for the Waterville Cemetery Association, and along with being a member of the Waterville Historical Society.

Linda Ward is a devoted mother, grandmother, and wife, and has been an integral part of the Waterville Community.

Three years ago, Secretary of State Jim Condos announced the launch of VT's new Elections Management Platform. This streamlined the elections administration process, providing voters with greater access to voter specific information. Over 25,000 Vermonters registered to vote online last year. For the November General Election, nearly 6,500 Vermonters requested an absentee ballot through the My Voter Page.

By using the My Voter Page, a registered voter can:

- Check registration status;
- View information on upcoming elections;
- Access voter specific elections information, including directions to a polling place and polling hours;
- View a sample ballot;
- Request and track an absentee ballot;
- and much more.

We encourage voters to log into their My Voter Page to learn more.

Registered Voters can log in at: <http://mvp.sec.state.vt.us>

**Article 7.** To do any other business that my legally come before the meeting.

Bart Bezio thanked the town for electing him to be the LMNUUSD Director for the next three years. Bart spoke about the school budget, gave updates, and urged the town to support the school budget.

Heather Dunn thanked Bart for all his hard work and dedication in representing the Waterville Elementary School. Heather also urged the town to support the school budget.

Diane Schwarm thought that it would be best to have Bart speak about the school budget before town meeting started, this would allow the town to get an update on the school budget before voting.

Jeff Tilton updated everyone on Lamoille FiberNet. Phase 1 was finished on schedule, and they were well under their budget. Any residence that did not meet the requirements for “the drop” and needed “the long drop” which was 500ft from the distribution network, can now be connected without any out-of-pocket expense.

Lucy Rogers had questions regarding the ARPA Funds and asked for more of a breakdown on the highway expense.

Bob and Cathy Wright had questions about the process in collecting delinquent taxes.

Adjourned the Town Meeting at 12:05 P.M.

Dated at Waterville this 6<sup>th</sup> day of March 2025.

**Waterville Historical Society – 2025 Update**

The Waterville Historical Society (WHS) continued to build momentum in 2025 through a combination of community events, archival work, and fundraisers. We made meaningful progress toward our mission of preserving and sharing Waterville's history.

This year, the WHS hosted two well-attended Oral History and storytelling events at the Town Hall (one in collaboration with the Waterville Town Library) featuring more than ten stories shared by Waterville community members. We are so grateful to the community members who shared stories about the past with us! In addition, we established a StoryCorps account and interviewed several longtime residents so their voices and memories can be preserved for future access.

We also made progress in organizing and expanding our collections. Dozens of historical photographs and printed materials were digitized and catalogued, which protects the originals while making them more accessible.

Fundraising efforts were also a highlight of the year. The WHS designed and sold a 2026 calendar featuring historic images and notable events from Waterville’s past, which was warmly received by the community, and held a successful loop rug raffle fundraiser. The WHS was also pleased to win first prize for its float in the Belvidere Old Home Day parade for the second consecutive year, thanks to the creativity and dedication of Herb and Angela Barup.

The WHS space received a fresh coat of paint, and new display cases were added to properly exhibit our growing collection of historical artifacts. In collaboration with the Select Board, improved signage for Waterville’s covered bridges was approved and will be installed, to notate these important landmarks.

The Board experienced several changes this year, and we are grateful for the leadership and service of those who stepped down. Current officers and board members are:

Herb Barup, Chair;

Burton DeWilde, Secretary;

Annie Schools, Treasurer;

with board members Kimberly Mann and Amanda Tilton-Martin.

Finally, we extend sincere thanks to our volunteers, members, and supporters whose time, energy, and enthusiasm make this work possible. Their contributions, including helping at events, assisting with archives, attending meetings, or sharing stories, continue to shape the Waterville Historical Society’s growth and success. We look forward to building on this progress in the coming year and to welcoming more community members into the work of preserving Waterville’s history!

Respectfully submitted by the Waterville Historical Society Board, January 22, 2026.

## Waterville Town Library – 2025 Report

The Waterville Town Library is pleased to report on another productive and rewarding year of library services to our community. Thanks to the dedication of our volunteers and the continued enthusiasm of our patrons, the library remained open year-round and offered many special events, new books, and services to our community.

In 2025, **our volunteers contributed approximately 370 hours** to keep the library operating smoothly. During the year, we welcomed roughly **1,307 visitors** (681 adults, 626 children), issued **25 new library cards**, and recorded approximately **915 book and media checkouts**. We continue to thoughtfully expand, refresh and seek requests for our collection in order to meet the evolving interests and needs of readers of all ages.

Ongoing and special events brought together both adults and children throughout the year, with an estimated **370 total participants** across events. This year, the library was excited to launch three new ongoing monthly programs that have quickly become well-attended and meaningful community events. Common Threads, held on the first Saturday of each month, brings community members together for handwork, conversation, and connection. Our Board Game Night, hosted on the second Saturday evenings, has created a fun and welcoming space for folks to gather and play. In addition, Shape Note Singing, held on the third or fourth Saturday of each month, has attracted community members to enjoy an accessible musical tradition. A special thank you to volunteer Katie Grennon and new trustee Laurie Ferron for leading these initiatives.

Other offerings included story hours, educational presentations, and live animal visits through Siber Sled Dogs, the Vermont Institute of Natural Sciences, and the Southern Vermont Natural History Museum, as well as a community Storytelling gathering in collaboration with the Waterville Historical Society. Our summer reading program for children and adults again encouraged reading and community engagement, and we had a wonderful time at our annual sledding party with a special visit from MyNBC5 Meteorologist Matt DiLoreto and his weather van.

The library continued to offer a wide range of services beyond traditional lending. These included public computer and printing access, WiFi service, DVD rentals, games and puzzles, activity backpacks, and sporting equipment (check out our collection of snowshoes for rent this winter!). Patrons also enjoyed free access to the Libby app for e-books and audiobooks, as well as museum and Vermont State Parks passes that help connect our community with cultural and recreational opportunities throughout the state.

In 2025, the library maintained a strong financial foundation. Funds were used to support new book purchases, programming, online subscriptions, and ongoing operational needs. We are grateful for the Town of Waterville's continued appropriation, which remains the backbone of our operating budget. We also extend sincere thanks to the Vermont Department of Libraries for their programming grant, which helped support our community events, and to the Waterville Country Church's Community Meal for their generous donation, which contributed directly to the strength and sustainability of our services.

The Board of Trustees remains committed to responsible stewardship of library funds and to long-term planning that ensures the library's continued vitality. Our healthy checking, savings, and certificate of deposit balances provide important stability and allow us to respond thoughtfully to future needs and opportunities.

As a fully volunteer-run organization, the Waterville Town Library continues to thrive because of the time, energy, and care given by our volunteers, trustees, donors, and patrons. We are deeply grateful for this support and look forward to expanding programming, strengthening our collection, and welcoming even more community members in the year ahead.

**2025 Waterville Planning Commission Update**

In the first half of 2025, the Planning Commission focused on early planning efforts and a range of community-oriented initiatives in support of the Selectboard and the town. Discussions included potential ordinances, community safety and preparedness, grant opportunities, and ways to strengthen local support efforts, alongside initial coordination with the Lamoille County Planning Commission (LCPC) to lay the groundwork for the upcoming Town Plan update.

During the second half of 2025, the Commission entered a period of transition and regrouping. Following a brief summer pause, meetings resumed in October with an emphasis on rebuilding the board, clarifying roles, and preparing for the next phase of the Town Plan update process. As of January 2026, the Commission includes 10 active members (7 voting members and 3 at-large), putting us in a strong position to take on this work.

Our primary focus for 2026 is updating the Town Plan, which serves as the community’s long-range guide for issues such as housing, transportation, natural resources, and overall community priorities. Vermont statute calls for town plans to be updated and readopted on a regular multi-year cycle—generally every eight years—so they remain current, relevant, and eligible for use in state, regional, and grant-related decision-making. **This will be the third comprehensive Town Plan update since Waterville’s original plan was adopted in 2003.**

The Town Plan does not create zoning, impose rules, or introduce new regulations, and it cannot require changes in how individual properties are used. Instead, it identifies shared priorities, trends, and best practices to help guide future local decisions and ensure the town has an adopted plan in place when applying for state or federal programs.

**Why this matters:**

Having an up-to-date Town Plan helps Waterville stay eligible for state and federal funding, strengthens the town’s position in regional and state-level decisions, and provides a locally driven framework for addressing long-term issues like housing, infrastructure, and conservation. Just as importantly, it ensures that future decisions are guided by a document shaped by community input rather than outdated assumptions or outside priorities.

We began this work in December in collaboration with the Lamoille County Planning Commission (LCPC) and will continue drafting and reviewing the plan throughout 2026. Public hearings will be held later in 2026 to gather resident input before the plan is

finalized. We anticipate presenting the completed plan to the Selectboard for adoption in early 2027.

Because of the size and scope of this project, it currently accounts for most of the Commission's time, though we continue to discuss other planning topics as time allows.

Planning Commission meetings are open to the public and are held on the second Wednesday of each month at 6:00 PM at the Library, with a remote participation option available via the meeting link posted on the agenda. Agendas, minutes, and Town Plan draft updates will be posted on the Planning Commission page of the town website as they become available.

We hope residents will follow along, attend a meeting if they're curious, and share their thoughts as this work moves forward.

TOWN OF WATERVILLE  
EMERGENCY MANAGEMENT REPORT, 2025

The purpose of the Emergency Management Agency is to coordinate activities between the the Police, Fire, Ambulance, Public Works, Utilities, and other departments within the town during major emergencies. In the event, the emergency goes beyond the control of the town capabilities, the Vermont Emergency Management (VEM) will help to coordinate necessary activities and services.

In Vermont we have emergency services such as VT-Alert used by the state And local responders to notify the public of emergency situations. Those could be chemical spills, severe weather advisories and roadway interruptions and any other events that may effect the publics safety. VEM has partnered with Everbridge to provide citizens with enhanced capabilities to prepare them for emergencies. To register with VT-ALERT go to VT-ALERT.GOV. We also have the capability for real-time information with Road Weather Information Stations (RWIS). A series of cameras, these stations provide current weather and traffic conditions at various locations throughout the state. By using closed circuit television, you can monitor the latest weather and traffic conditions. Check out this service at [NewEngland511.org](http://NewEngland511.org).

Vermont and our town are often susceptible to a variety of weather conditions. During July and August with the lack of any measurable rain we had severe drought conditions that dried up many wells and water tributaries. The past two winters we returned to real snow conditions. Another weather condition that is on an increase is high winds causing damage and power outages. It is called a “derecho”. The name is derived from the Spanish word “straight ahead or direct”, describing the storm’s long, powerful, straight-line winds, which contrast with the twisting winds of a tornado, which we did have in 2008 in town.

**Lamoille County Sheriff's Department  
2025 Annual Report**

In 2025, the Lamoille County Communications Center remained a critical hub for public safety. Over the course of the year, the center received 15,790 E911 calls and dispatched a total of 42,769 fire, EMS, and law enforcement calls. Law enforcement activity accounted for a significant portion of dispatch operations.

Patrol activity in Johnson, Hyde Park, and Wolcott shows that motor vehicle complaints, traffic accidents, and citizen disputes, including family and domestic-related incidents, remain among the most common calls for service. Traffic enforcement continues to be a key function of patrol operations, contributing to roadway safety and proactive violation detection.

The Lamoille County Sheriff's Department continues to conduct directed patrols in areas experiencing quality-of-life concerns, traffic safety issues, and reported criminal activity. These efforts focus on maintaining a highly visible law enforcement presence to detect and deter violations and crime. In addition, the department continues to provide contracted traffic enforcement services in the towns of Cambridge, Elmore, and Waterville, with the services being paid for by those communities, ensuring consistent traffic safety coverage.

During 2025, the department observed an increase in incidents involving the victimization of elderly and vulnerable adults. These cases frequently involve mail and internet-based fraud, often committed by both in-state and out-of-state offenders. The Sheriff's Department remains proactive in investigating these crimes and working to prevent further victimization through enforcement and public awareness.

The department also continues to respond to a growing number of mental health-related calls for service. These incidents require a coordinated, multi-agency approach involving law enforcement, mental health providers, rescue services, and hospitals. The Sheriff's Department recognizes the importance of these responses and remains committed to ensuring individuals in crisis receive appropriate care and support.

Through coordinated dispatch operations, proactive patrol strategies, and continued collaboration with partner agencies, the Lamoille County Sheriff's Department remains dedicated to improving public safety and quality of life throughout the communities it serves.

## *2025 Annual Report*

Dear Community Members,

On behalf of everyone at Newport Ambulance Service, we extend our sincere gratitude for your continued trust and partnership over the past year. Serving your community is a responsibility we never take lightly, and your support makes it possible for us to deliver high-quality, timely, and compassionate emergency medical care when it matters most.

Newport Ambulance has become one of the largest regional ambulance services in the State of Vermont; employing over sixty (60) employees with four (4) stations covering 830 sq. miles for seventeen (17) Towns, and five (5) Unified Towns & Gores. In 2025, we responded to 5,809 calls for service.

This year brought its share of challenges, but also incredible moments of teamwork, resilience, and progress. In 2025, Newport Ambulance Service was named **“Service of the Year”** by the Vermont State EMS office. In addition, our employee Samantha Atwood was named **“BLS Provider of the Year”**. Additional recognition to Jeffrey Johansen (NAS Director) and Robert Jacobs (Division Supervisor) were both honored at the Jay Peak **“One Town”** celebration. We are especially proud that our crews have been recognized for two (2) cardiac saves in 2025, one in Hyde Park and the other in Coventry.

Our crews respond to calls day and night in every kind of weather, providing critical care, safe transport, and reassurance during some of life’s most stressful moments. None of this would be possible without the commitment each Town shows through funding, collaboration, and open communication.

### **Highlights from this year include:**

- Continued investment in advanced life-support equipment and cardiac monitoring technology
- Ongoing training in trauma care and community risk reduction
- Improvements in response times and coordinated dispatch with partner agencies
- Strong collaboration with local fire departments, police, and emergency management teams
- Service of the Year Award by the Vermont State EMS office.

Every upgrade we’ve made—whether equipment, training, or staffing—reflects our core mission: to protect the health and safety of the people who live, work, and visit in your Towns.

Your support is the backbone of a reliable EMS system. When you partner with Newport Ambulance Service, you're investing in readiness, professionalism, and the assurance that help will arrive quickly, fully equipped, and with the skill needed to save lives.

As we look ahead, we remain committed to continuous improvement, transparent communication, and strengthening our connection with each community we serve. Thank you again for your partnership and for recognizing the importance of strong, sustainable EMS coverage. Newport Ambulance Service thanks you for your continued support and looks forward to serving you and your community for years to come.

We are honored to stand beside you!

With appreciation,

*Jeffrey J. Johansen*

## **REPORTS FROM ORGANIZATIONS REQUESTING TOWN FUNDS IN 2026**

LAMOILLE RESTORATIVE CENTER is for first-time offenders (adults and juveniles) of non-violent misdemeanors who learn accountability for their actions. Offenders must make restitution to the victim for property damage, make a personal apology to the victim and perform volunteer community service work. Successful completion of the contract results in dismissal of the charge and no court record. 762 individuals throughout Lamoille Valley received support last year. The number of children, youth and adults, who reside in Waterville served by LRC's 11 programs was 13 in 2024. 888-5871

CENTRAL VERMONT COUNCIL ON AGING works to support Vermont Seniors to live independent, self-chosen and secure lives, in their own homes, for as long as possible. Last year, CVCOA served 22 residents in Waterville. 477-1364 or 800-642-5119

LAMOILLE HOME HEALTH & HOSPICE is a non-profit organization that provides home health care services including nursing, aide, therapy and homemaker regardless of ability to pay. Town financial support offsets the costs not covered by insurance, Medicaid or Medicare. This past year, LHH&H staff made 585 visits to Waterville clients. 888-4651

CENTRAL VERMONT ADULT BASIC EDUCATION aids in providing individual reading, writing, math, GED, ESL and CDL tutoring to Waterville adults. It's free to adults 16 years and older with less than 12 years of education. Last year CVABE served 2 residents of Waterville. 888-5531

CLARINA HOWARD NICHOLS CENTER is a shelter for battered women and their children. The Center provides and emergency hotline, court advocacy, counseling, help in living in a non-violent life and a place where women and children are listened to. Last year they served 403 individuals in Lamoille County 888-2584. Hotline 802-888-5256

MEALS ON WHEELS provides the meals-on-wheels services, congregate meals, transportation and advocacy services to Waterville seniors. Meals on Wheels of Lamoille County has prepared 58,613 meals, including the daily deliveries to 10 residents of Waterville. They always welcome new referrals. 888-5011

LAMOILLE DAY HEALTH SERVICES (aka Out and About) is a program that provides adults with an alternative choice for long-term healthcare while remaining as independent as possible in the care setting of their choice. This includes meals/snacks, nursing services, personal care, activities and socialization, art programs, caregiver respite and transportation. 888-7045

RURAL COMMUNITY TRANSPORTATION (RCT) is a non-profit corporation providing transportation to the elderly, handicapped and disabled in your community through a volunteer service. RCT coordinates the trips and has provided 88 rides, approximately 3,474 miles, to the residents of Waterville over the past year. 748-8170

LAMOILLE COUNTY SPECIAL INVESTIGATION UNIT/CHILD ADVOCACY CENTER was created to respond to reports of child sexual abuse, adult sexual assaults, serious child physical abuse, as well as abuse of vulnerable adults and the elderly in Lamoille County. Their goal is to promote cooperative efforts between police agencies, prosecutor's office, the medical community, child protection services, and victim advocacy groups. They strive to conduct quality investigations that result in prosecution, reduce stress and trauma to the victim, and protect both the victim and the community. 851-8116

The WATERVILLE TOWN LIBRARY continues to serve as a welcoming gathering place for residents of all ages, providing access to books, media, technology, and enriching community programming. In 2025, the fully volunteer-run library welcomed 1,307 visitors, issued 25 new library cards, and recorded approximately 915 checkouts. The library expanded its programming by launching three new monthly community events—Common Threads, Board Game Night, and Shape Note Singing—alongside story hours, educational programs, summer reading, and special community gatherings. Patrons also benefited from public computer and WiFi access, Libby e-books and audiobooks, museum and state park passes, and a growing collection of books, games, and equipment. The Library is grateful for the Town of Waterville's continued appropriation, which remains the backbone of its operating budget. The Board of Trustees remains committed to responsible stewardship of funds to ensure the library's continued vitality and service to the community.
