

Date: Sep 9, 2026

Attendees: Amanda, Bub, Burton, Kristin, Maylo

- Bub: Calendar and coloring book sales are well underway! We're at ~20% sold, with plenty of time left for the rest.
 - will give funds (\$90 for coloring books, \$120 for calendars, \$25 for raffle) to Brandi for deposit into our account
- Bub has succeeded in becoming the new administrator for the [WHS account on Front Porch Forum](#)
- Kristin: Ready to start rolling again on the WHS room decor
 - photo frames (\$100ish) and photo rails for the built wall (\$200ish) selected but not yet purchased
 - we have a plan for framing the big Civil War-era flag – somebody will build it, and we'll probably skip the plexiglass (\$\$) but will make sure to include slots for it
 - Kristin requested and the Board approved a \$500 budget for the room project
 - Burton will find a high-quality but not-expensive online photo printer for the room pics, which will mostly be prints instead of originals
- We're hoping to host a casual "open house" event sometime late fall / early winter once the room is decorated, to show off what we've done with the space – stay tuned!
- Bub asked if there's interest in changing the meeting time from 5pm to 6pm (but maintaining the usual second-Wednesday-of-the-month schedule), with the intention of allowing more folks to attend and participate
 - Burton: **Hello, reader of these meeting notes! Do you have a preference for WHS meetings on Wednesdays at 5pm or 6pm? If so, please respond to this email and let me know! I'll tally up the votes and report back next month.**
