Date: Oct 14, 2026
Attendees: Amanda, Bub, Burton, Angela, Bill, Kristin, Maylo

- Annie put together thank-you cards for Old Home Day volunteers, which WHS board members signed (thanks again to everyone for all their help!)
- Kristin shared progress updates from the room decoration project, plus next steps
    - On the hunt for more artifacts/photos that we can use to fill out the room; Amanda will ping Denise(?) about donating some artifacts
    - We have enough to put together a nice display case dedicated to the old Inn!
    - Burton scanned a big batch of photos and directed Kristin to a good online photo printer, so we won't need to put originals out on display
    - Carlos will make hangers for the big quilt, and Arthur Tilton will make a 5'x8' frame for the old Civil War flag
    - Burton will help design signage for the room decor
- Bub brought several boxes of artifacts to peruse for possible display, including some really lovely legislative ledgers from the early 1900s
- Bill recommended the Enosburgh Historical Society museum, focused on trains, located at a Freight Depot
- Bub and Kristin recommended visiting the Hyde Park courthouse display, for which WHS already provided a nice set of pictures; it's set to run through the winter
- Burton will nag Nick about finishing the new WHS logo
- Burton forgot to report back about pushing the monthly meeting time back to 6pm; one person wrote in saying that 6pm is fine, but we need more input before making a decision (*If anyone else has a strong preference, please let me know!*)
